第二节 书面表达

Dear Miss Evans,

How are you doing? I am Li Hua, a student in your oral English class. I am writing to ask you to do me a favor.

Recently, my classmates and I plan to adapt an English text into a short play, in which the lines require native spoken English. However, we are not quite sure about the expressions because of the culture shock. This short play tells the story of a child who has gone through many challenges to realize his dream. Determined to adapt it into a wonderful one, I've made every effort to polish the lines, but culture shock still proves to be a big trouble. Faced with this difficulty, I have to ask you for help. I sincerely treasure it if you are so kind to help me with the lines. Besides, if it is convenient for you, let's meet at 9:30 in the school cafe. If not, let me know what time suits you best.

I'd appreciate any of your help. Looking forward to your early reply.

Yours,

Li Hua
